What **did you use to do** at primary school?

- be better at Maths
- be better at Literature
- be better at English
- learn more
- have problems with the teachers
- have more homework
- go out so often

Ezek szerint tehát a USED TO azt fejezi ki, hogy valami szokásom volt - de már nem az többé.

Make your own sentences according to the sample sentence.

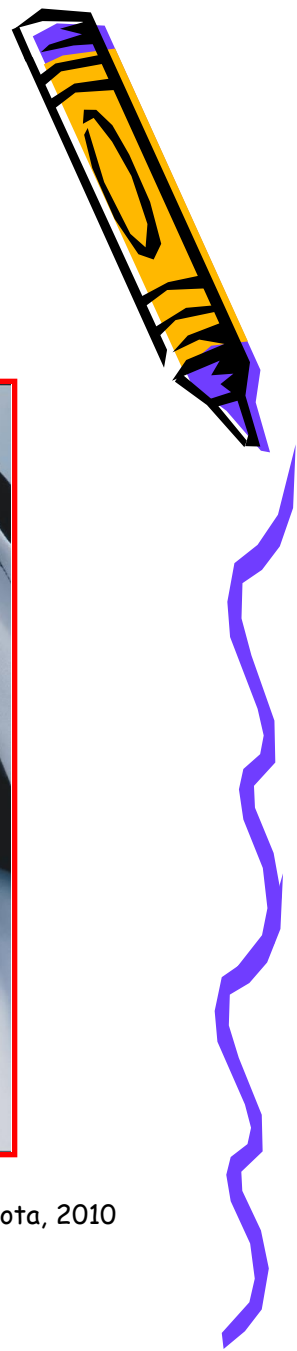

- Britain/an empire
Britain used to be an empire, but it isn't any more.
- Britney Spears/popular (She's a disaster now.)
- summers/not so hot and dry (They are unbearable now.)
- Sam/a huge house by the sea (He lives in the city now.)
- My friend/horse riding (He/she gave it up.)
- I/so much coffee (I'm a caffeine addict now.)

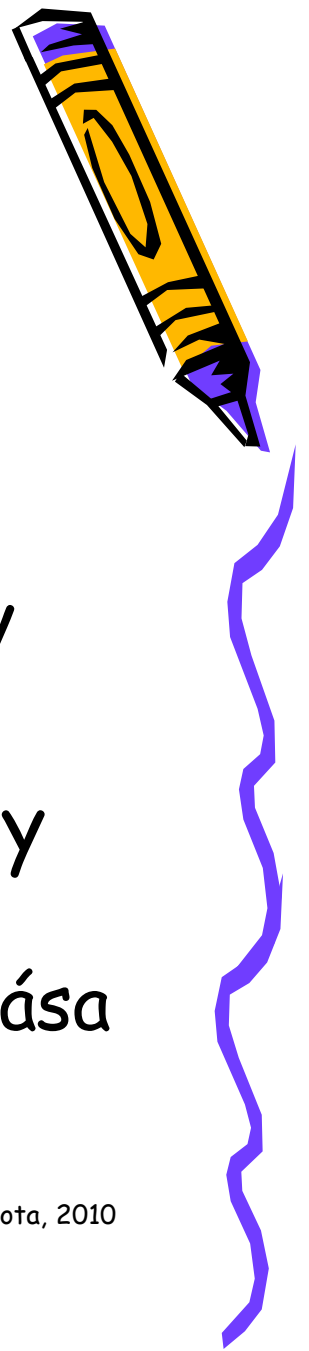

Jill used to be the local Beauty Queen, now she's a nun. What did she use to do that she doesn't do any more?

Kiegészítés a USED TO használatához

- A WOULD modális segédige is használható a USED TO szinonimájaként, de kizárólag aktív cselekvést kifejező igékkel:
- My father would always tell me silly jokes when I was little.
Jelentése valami ilyesmi: Apámnak szokása volt akkoriban/ Jellemző szokása volt...
